

CERTIFICATION

Re-certification

This re-certification confirms that the

Apleona Group

has a value-based compliance management system in place that complies with Sec. 7.9 of the Regulations of the Institute for Corporate Governance in the German Real Estate Industry (ICG) in connection with the “Functional Specifications Document on Compliance Management in the Real Estate Sector” of the ICG.

The company has realised the required ICG measures and actively operates management processes that ensure the long-term implementation of these measures.

Apleona Group

therefore retains its status as an ICG-certified company.

This certification is valid until 31. august 2027.
